

AMENDMENTS TO THE SPECIFICATION

Please amend the paragraph beginning on page 15, line 2 as follows:

The images of FIGS. 6A, 6B and 6C respectively include the users' own characters A, B and C. However, the users' own characters may not be included in images in order to display images viewed by the characters A, B and C. In ~~this~~ that case, the image of FIG. 6A ~~[[does]]~~ would not include the character A, the image of FIG. 6B ~~does~~ would not include the character B, and the image of FIG. 6C ~~does~~ would not include the character C.
